Central Agency for Public Mobilization And Statistics

1.08 % increase in Manufacturing and extractive index during August 2020

Central Agency for public mobilization and statistics (CAPMAS) issued on /10/ 2020 primary data of manufacturing and extractive industries of production index of August 2020.

CAPMAS has updated the index methodology using the base year 2012/2013 and at the level of main divisions of industrial activity according to Industrial Activity Manual (ISIC Rev.4) and by using the monthly figure (for producer prices based on 2012/2013).

The manufacturing and extractive industries index (excluding crude oil and petroleum products) is 94.75 during August 2020 (primary) compared to 93.73 during July 2020 (final) an increase by 1.08 %.

Manufacturing and Extractive Index (excluding petroluem) from August 2019 to August2020

An increase at the level of the following economic activities:

Manufacture of chemicals and chemical products

- Manufacture of chemicals and chemical products reached 111.56 in August 2020 compared to July 2020 which reached 101.46 an increase by 9.95%, due to increased demand on industrial detergents and disinfectants

Manufacture of wearing apparel

- Manufacture of wearing apparel reached 88.83 in August 2020 compared to July 2020 which reached 87.29, an increase by 1.77 Because of the increased demand associated with the study entry.

A decrease at the level of the following economic activities:

- Manufacture of other non-metallic mineral products (Bricks, Glass and Cement) reached 61.53 during August 2020 compared to July 2020, reaching 67.01 a decrease by 8.18 %, Due to decrease in demand for construction products after the decisions to stop construction.

Manufacture of other non-metallic mineral products (Bricks, Glass and Cement)

- Manufacture of paper and paper products reached 53.10 in August 2020 compared to July 2020, where it reached 58.38, a decrease by 9.04 % due to importing paper from abroad at lower prices and weak current demand due to e-learning trend.

Manufacture of paper and its products
