### **gyptian initiatives to support Egyptian girls**

These Initiatives Launched by the Egyptian government in cooperation with United Nations in Egypt, which seeks to empower girls under the age of 18 and build their educational, social and economic skills and capabilities, the "Dawi" and "Noura" initiatives. The two programs (Dawi) and (Noura) are closely linked to the "Egyptian Family Development and Decent Life programs."

#### ➤ **"Dawi" Initiative**

Dawi, is a national initiative implemented in Egypt that aims to engage young girls and boys in activities that will help them to achieve their full potential, while enhancing the participation of their families and communities, thereby changing the way society views girls.

The national initiative "Dawi" is led by the National Council for Childhood and Motherhood, in partnership with the National Council for Women, with technical support from UNICEF and in cooperation with several partners.

#### ➤ **(Noura) Initiative**

Noura initiative was launched by Ministry of Planning and Economic Development, the National Council for Women, the National Council for Childhood and Motherhood and the United Nations Population Fund, in October 2021, which aims to empower adolescent girls for transformative change in Egypt.

Noura, is a symbol of all adolescent girls in Egypt and of the framework for girls' development, which aims to become a symbol of investment in girls in Egypt through partners, filmmakers and supporters.

#### ➤ **"Protect her from Circumcision" Campaign:**

It is an awareness campaign launched by the National Committee to Combat Female Genital Mutilation for the first time in June 2019, coinciding with the National Day against circumcision, to educate Egyptian families in all governorates and protect their daughters from circumcision, Which aims to revive the issue of circumcision in the minds and placing it on the agenda of executive authorities, civil society and international organizations, urging society in all its spectrums to confront this crime, and support local , national efforts and relevant community initiatives. It is an ongoing campaign held successively every year.□
