## Central Agency for Public Mobilization And Statistics

### On the occasion of International Museum Day

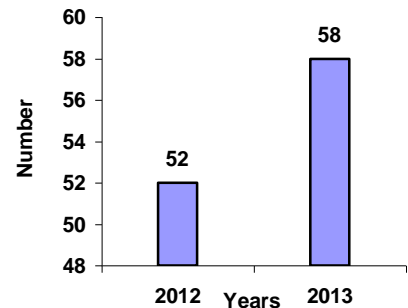

#### 11.5 % increase in the number of museums

Central Agency for Public Mobilization and Statistics, Issued in 18 / 5 / 2015 a press release on the occasion of international Museums Day. Every year since 1977 International Museum Day is organised worldwide around May 18. This day is an occasion to raise awareness on how important museums are in the development of society. ICOM Advisory Committee organises the theme of this event (links created by museum Groups ), given the high number of countries involved, lasts a day, a weekend, a week or even a month

#### the most important indicators are as follows:

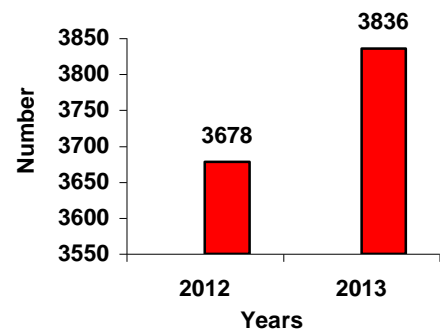

- The number of museums reached 58 during 2013 compared to 52 in 2012, an increase of 11.5% and such increase is due to practicing the activity of the museums after (restoration - renewal ... ).

Number of museums during 2012 - 2013

- The number of museums visitors reached 3836 thousand visitors compared to 3678 thousand visitors in 2012, an increase of 4.3% .

Number of museums during 2012-2013

- The amounts of museums reached to 65 336 thousand pounds in 2013 compared to 104 090 thousand pounds in 2012 , a decline of 37.2 % due to the increase in the number of the Egyptian visitors and the decline of foreign visitors this year

- The number of archeological sites reached 127 archaeological area in 2013 and the number of visitors reached 5 million visitors .

- The number of natural reserves reached 30 reserves in 2013 and the number of visitors reached 201 thousand visitors.
