## Central Agency for Public Mobilization And Statistics

### 218.8% increase of Egyptian cotton exports in the third quarter of agricultural season 2018/ 2019

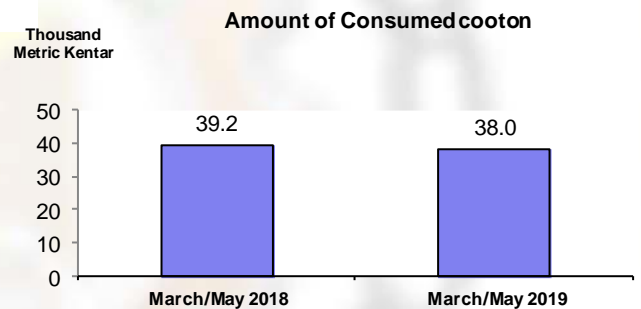

Central Agency for Public Mobilization and Statistics ( CAPMAS ) issued in 3/ 9 / 2019 the quarterly bulletin of cotton for third quarter (March/ May)for agricultural season 2018/2019.

The most important indicators are as follows:

- Total amount of Egyptian cotton exports reached 510.2 thousand metric Kentar during (March / May2019) compared to 160.1 thousand metric Kentar during the same period of previous season, an increase of 218.8% due to an increase in cotton production.

- Total amount of domestic consumed cotton reached 38.0 thousand metric Kentar during (March / May2019) compared to 39.2 thousand metric Kentar at the same period of previous season, a decline of 3.0% due that some of spinning factories stopped working.

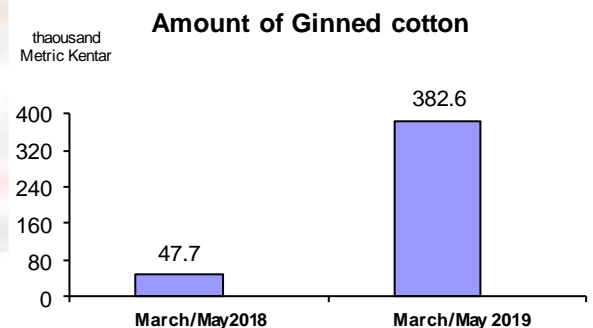

- The amount of ginned cotton reached

382.6 thousand metric kentar during

(March/ May2019), compared to

47.7 thousand metric Kentar at the same period of previous season, an increase of 701.8 % This increase is due to the decrease in sold ginned quantities during the same period of previous season.□
